When Dr. Reggie Anderson is present at the bedside of a dying patient, something miraculous happens. Sometimes

[Appointments with Heaven: The True Story of a Country ...](#)

Appointments with Heaven is an account of the author's relationship with a Supreme Being, for whom I have been searching during most of my adult life, so it was a must for me to read. An unwilling atheist, after reading Dr. Reggie's story I found that my values were not a million miles from his.

Tyndale | Appointments with Heaven

Appointments with Heaven by Reggie Anderson, Jennifer Schuchmann is an interesting book, but not for children or the immature. A lot of his experiences aren't paralleled in the Bible, which makes me wary of accepting his experiences. This book has a lot of hinting to future events in the author's life, but you still have to wait for the event to show up in his story to know what he meant.

Soul-stirring and hope-filled, Appointments with Heaven is a powerful journey into the questions at the very core of your being: Is there more to life than this? What is heaven like? And, most important: Do I believe it enough to let it change me?

**Appointments With Heaven (Review of a Very Special Book ...**

The last book I read was Appointments with Heaven: The True Story of a Country Doctor, His Struggles with Faith and Doubt, and His Healing Encounters with the Hereafter. Here's the problem: There is absolutely, positively no way on earth I can possibly do right by this book or even come close to doing it justice.
