The Green Glass Sea is the story of 11-year-old Dewey Kerrigan, and happens to be set against the backdrop of the Manhattan Project in Los Alamos, New Mexico during 1943. Although the book contains a lot of information on what life was like in the "off the map" Los Alamos research community, it also paints a vivid picture of what life is like in the U.S. during the wartime of World War II [The Green Glass Sea by Ellen Klages, Paperback | Barnes ...](#)

The Green Glass Sea is a wonderful story about friendship. It takes place when World War II was happening. Every chapter trades off telling about Dewey and Suze, the two main characters. When something happens to a character, like when Dewey's father dies, and when Dewey ends up living with Suze. The author writes the book in a way where you really begin to care for the characters. This book [The Colors Of Sea Glass - Where Do They Come From?](#)
