[What is Historical Fiction? - Definition, Characteristics ...](#)

Historical fiction is a literary genre that reconstructs past

events in fictional stories. Common characteristics of this writing genre are the inclusion of historical events or historical people.

#### **Historical Fiction Books - Goodreads**

Historical fiction presents a story set in the past, often during a significant time period. In historical fiction, the time period is an important part of the setting and often of the story itself.

#### **Historical fiction - Wikipedia**

Historical fiction is a literary genre in which the plot takes place in a setting located in the past. Although the term is commonly used as a synonym for the historical novel, it can also be applied to other types of narrative, including theatre, opera, cinema and television, as well as video games and graphic novels.
