Shark Wars (Shark Wars, #1) by E.J. Altbacker - Goodreads

The book I picked is the first book of the Shark Wars series. The book is about a shark named Gray who lives in the ocean. Gray is twelve years old and gray did something bad and got grounded for a week. Gray had a friend named Barkley . Gray is bigger than the other sharks. Gray had a fun adventure. When Gray got back to the reef the other sharks were playing tuna roll. I really liked this.
