The Case for God provides a great survey of the history of religious thought since Christ and puts in context the polarized fundamentalism and atheism of today. As someone who has never taken a religion course or read much about theology I found The Case for God to be very enlightening and thought provoking. The book at times is a dense read, particularly in the first half, but gains momentum

The Case for God - Wikipedia

The Case for God is a 2009 book by Karen Armstrong. It is an answer to the recent claims that God does not exist from Richard Dawkins, Christopher Hitchens, Sam Harris and Daniel Dennett and focuses on the three Abrahamic religions: Judaism, Christianity and Islam from the paleolithic age to the present day.
