The Homework Machine - Goodreads

The Homework Machine by Dan Gutman is about four 5th graders with one thing in common; a big secret. Brenton is a genius and has invented, programmed and used a homework machine. When he spills the beans to the other kids at his table, he doesn't know what he has gotten himself into. With the police, parents, and a stalker

involved, this could end up much more than a great idea.

**The Homework Machine book by Dan Gutman - Thriftbooks**

The homework machine is a great book it is about a group of kids who become friends. They become friends by using a machine made to do homework codenamed Belch. The book is very very funny and knows just when to add humor to it. The only bad thing about this book is that you wish the book was longer. I think this is a good book for kids and grown-ups alike. You should read this book as soon as
