People like Hitler and Stalin are always on these types of lists (yes, they are on ours as well). The real challenge came, however, in determining who was the worst among the worst. Many times the individual's infamy has become immortalized in legend, even to the point of rewriting history. So, we acknowledge the subjective and controversial nature of such a task and we encourage you to

Impalement was his most common method of killing people and it was possibly the most horrible and painful methods of execution ever devised. Victims were often impaled through bodily orifices or through the abdomen or chest and Vlad was known to leave his stakes a little dull to ensure impalement was slow and painful He was also known to roast children of the poor and weak and forced their
